

AGI Course Satisfaction Responses

We continue to evaluate our courses by regularly reaching out to current and former students about their experience. From our surveys, we know that around 60% of our students are interested in making Gunsmithing a career and the remaining 40% look to Gunsmithing as a hobby. We also know that 94% of those who have made Gunsmithing a part- or full-time career are self-employed. We wanted to share with you their impressions of the AGI courses.
